# THREWEAYS THE ONLY WAY

Miranda and Nikki met at work. Over the months they became friendly but it was difficult to express their emotions for each other. Eva is their boss at work and went to Nikki's place to find out why they skipped out today. After some convincing, she decided that they were okay and joined them. The rest of the day was full on non-working activities.

# MIRROR MIRROR

Randy Moore is a certified sex maniac. Really. She has a doctor's note to prove it. "My therapist says I have a hyper-aggressive sex drive," Randy says, while showing off her firm boobs and juicy ass—oh, look at that wet pussy, too! "I think my therapist was right. I jerked him off and let him cum on my boobs before the end of our first session together." That's so unprofessional! He should've aimed for your face! What's up, doc?

# Let's have a toy party

*Karla stood by the door talking with Andrea for a few minutes and then reached in a bag and handed the clear dildo to Andrea. As her sister left, Andrea closed the door, giving her a big thumbs up.*

Let me tell you how much I love my wife...

A couple weeks ago, Andrea and I arrived home after going to the movies where we noticed once again several cars in front of our house and figured her sister, Karla, was throwing another party. When we went in, we saw two couples that I didn't know and a few ladies sitting around the living room, sipping drinks and laughing. They were all laughing and having a great time. Karla introduced Andrea to everyone and as I sat down on the only available chair. Andrea sat on my lap and we joined in on the conversations and merriment.

As I looked around the at group, I hadn't notice at first but laid out all across the coffee table were sex toys and lingerie. Apparently this was an engagement party for Rick and Jenney, one of the couples there. I had heard of these parties but had never been to one. Arranged on the table and tucked into corners of the sofa and chairs were vibrators, oils and lingerie. Some of it was still in boxes and other had been opened and were being passed around with great amusement. One of the ladies held up a big pink dildo and said, "This looks like one I would like," and then added, "But I would rather have someone use it on me then use it alone." Andrea stretched out her hand and took it from the lady and studied it for a moment and then looked at her sister and said "Don't you wish you had a man who had something like this?" Everyone laughed except Karla who I could sense was a bit embarrassed. Andrea then lifted the dildo up toward her mouth and said, "I would start by doing this." And she started to seductively and gently lick it.

*Andrea was all for it and said she would do it again and again if I was okay with it. I told her I was and said I didn't even mind her using it when I wasn't there.*

I pinched Andrea and whispered for her to stop but then Karla shouts out "Come on sis, show us how you do it!" There was more laughing and that was all the encouragement Andrea needed. She started to push the clear dildo into her mouth and suck on the head on the head of it. I could see it up close now. It had realistic looking veins up and down the shaft and a perfect mushroom cap on the head. Even the balls hanging from the base of the shaft looked realistic. I wanted to stop her but was also kind of turned on watching her perform for the group. I looked over at Karla and she just smiled and shook her head like she couldn't believe it.

Everyone seemed to be having fun with it so I just watched as Andrea stood up and propped it up on the edge of the coffee table. Then she got down on her knees and started to suck on it up and down. Everyone was getting a bit carried away by now and they were encouraging Andrea to go wild on the big pink life-like dildo. Andrea continued to suck, using the same technique she always used on me. I looked around the room and everyone seem to be into it.

Then Andrea looked up at Karla and reached out with her hand, "Come here sis." Karla just sat there with this look of shock on her face but I think all of us were even more shocked when she actually got off the couch and got down on her knees next to Andrea. Andrea moved down and licked on the ball sack and the two of them worked on it like a team of porn stars trying for a cock-sucking award. Everyone was pretty quiet now watching the show and I'm sure the four of us guys were stiff as hell watching. Karla was a little more conservative than the others but there she was showing off her skills. I sat there wondering where, or on who, she learned to do that. She played the stand-offish girl, but was probably a little slut underneath it all.

The night wound down and people collected their things as midnight approached. Karla stood by the door talking with Andrea for a few minutes and then reached in a bag and handed the clear dildo to Andrea. As her sister left, Andrea closed

the door, giving her a big thumbs up.

With everyone gone and the house now quiet, we went off to our bedroom. Andrea and I were both very turned on and we got quickly undressed and into bed. I licked and kissed her body all over and then slid down to suck on her pussy. I handed her the dildo and looked up to watch her sucking on it. It was so hot seeing her take it in and out of her mouth while I tongued her pussy. I moved up onto my knees and slid my cock into her, all the time she was sucking and slurping on the dildo

with passion. I pushed my cock in and out of her and eventually had to pull out since I felt like I was going to blow my load any second. I took the dildo away from her mouth and gripped the base of it and slowly worked it into her pussy. It was definitely bigger than me.

I watched it disappear into her as I leaned down and licked her clit while pushing it in and out slow. Andrea squirmed and wiggled as I continued to play with her. She then let out a little squeal and came hard as I pushed it deep into her. I slowed down for a moment and then started on her again. Then I pushed her over onto her stomach with the dildo deep inside her and started to run my tongue all over her sweet tight asshole. I darted

my tongue in and out and got her sloppy wet. I got next to her and pressed the head of my cock against her moist anus. When I finally was fully into her, I pulled her over and onto me. I was lying on my back now and she was lying with her back on top of my chest facing up toward the ceiling. My cock was deep into her ass now and the dildo was firmly in her pussy. She grabbed the base of it and pushed it in and out of her while I lifted her by the hips and gently wiggled my cock around in her tight ass giving Andrea her first double penetration.

I moved us around sideways and I reached around to take control of the dildo and grabbed it by the base and worked it in and out of her fast. It must have been an incredible feeling for her. Finally, I let go of the dildo, lifted Andrea's legs up into the air and exploded into her ass. The tight grip made it even more intense and I could feel my cock pumping hard as my balls drained completely. I rolled Andrea onto her side and felt her tight ass muscles slowly push me out of her. The dildo was still buried deep into her and she pulled it out nice and slow. We held it between us and talked about how we felt using it. Andrea was all for it and said she would do it again and again if I was okay with it. I told her I was and said I didn't even mind her using it when I wasn't there.

We both needed some water to drink after that session so I slipped on my shorts and went to the kitchen. I turned the lights on and noticed some leftover packaging had been left on the counter. I gathered it up to throw it out and noticed a few cock rings amidst the cardboard and plastic. I looked at them for a moment and slipped one on around the base of my cock and behind my balls. Almost immediately I started to get a little harder.

Smiling to myself, I went back upstairs and stood by the bed right in front of Andrea's face. She saw I was hard again and reached out to grab my cock. I guided her hand to the ring and she felt it, looked up at me and smiled. "I never thought you'd be a fan of sex toys." she said as she pulled my cock into her mouth. "I am now!" I said.

# LAY LADY LAY

I was rummaging through a chest in the attic when I came across a lingerie outfit I wore on a photo shoot twelve years ago. I tried it on and it still fit perfectly. So I decided to do a new shoot with the same outfit. I called a photographer I knew and she said he would shoot me just like the old pictures. She would get a make-up artist to do me up just the way it was back then, hair and all. I showed up at the photo shoot and saw the set. They had copied the old set from the original photos all the way down to the flocked wallpaper in the background. It was deja vu all over again. I was amazed, and so was everyone else that I looked just the same. We spent all day morning shooting but I have a golf tournament to get to. I hope you like the new photos. There were some interesting things that happened after the original shoot I'll tell you about sometime. They're actually pretty steamy.

# It's all about the Hair Down There

***It's one of the the hottest topic in today's sexually charged world. Or at least at the beauty parlors and nail salons of our nation. Do men want their women with a bush or bald? Do women really want to shave it and if they do what do they do down there? It's about time for the low-down.***

Hairless pussies have been around for a long time. At least as far back as the ancient Egyptians and Greeks. Was it done for the same reasons as today. So we think. Greek female statues show no hair down there. The famous nudes of the painting masters of the Renaissance are also baldies. But we were all born with pubic hair for a reason. What we

*A woman is standing at a London bus stop when a sudden gust of wind blows up her skirt.*

*The bus driver opens the door at that moment and says, "A bit airy, ain't it?"*

*She replies, "What were you expecting – feathers"*

## STYLIN' THE BUSH

*With so many possibilities, what's a woman to do? What's best for her mood, or for her lover. We took on these perplexing questions and have compiled a photographic guide to pubic hair styles. The possibilities and names are endless, so we'll concentrate on some of the most popular.*

do with pubic hair as adults is entirely up to us.

During the "Free Love" days of the hippies in the Sixties and Seventies, a full natural bush was the norm. Even the porn flicks of the time reflected that lifestyle. As the Eighties and Nineties set upon us, the bush began to diminish in size. Disposable razors and lots of advertising began the decline of the natural bush. As porn became more accessible to all, pubic hair got smaller and smaller to the point where a bald pussy is seen as much today as any point in time. This is not only the case in porn, in the states as well as internationally, but it has permeated into society in general. Pop stars and celebrities openly discuss their nether regions. Paparazzi shoot them as they exit cars and dance at clubs. Those shots command tens of thousands of dollars and are seen by everyone. There are websites devoted to shaving techniques and dos and don'ts when shaving down there.

While it's a public spectacle, at the same time it's a private affair. Since most women are not porn stars, why are they shaving? Do we men want it? Do the women think we want it? Do they really want to do it? It's a debate that mostly goes on between women, and we men are rarely asked our opinion. But we are here to give voice to men on this important subject.

### Mini Strip

The smaller cousin of the perennial favorite, the landing strip. Its for when you want just enough to tease, but are willing to approach the bald zone. Give it a try. It's attractive, functional (?), minimalist and requires very little grooming.

### Landing Strip

By far and away the most popular of all hair down there styles rivaled only be the clean shaven pussy. Often called the Mohawk if the hair is a bit longer. It's an easy style to maintain and doesn't matter much if it's well kept or not.

### Brazilian

Made famous on and off the beaches of Rio, this tuft of a muff has led to thousands of bikini waxing shops across the country. Able to morph into many shapes, the basic cut leaves just enough hair centered above the clitoral hood. Men and women like it as a nose tickler.

### Floater

One of our visual favorites, as it is far enough away to avoid any distraction to the goodies below. While it may look as an appealing cut, we do not see any real function to it except for a photo op. It's just a razor stroke or two away from bald.

### Triangle

Or really, an upside down triangle depending on your perspective. Right up there with the landing strip as a favorite, it takes less effort than most of the other shapes to keep neat and trim. We men appreciate the directional aspect.

### Heart

Another perennial favorite is the heart shape. Not too difficult to do, it sends a powerful message to your lover. It's the aesthetics of the shape, and the sentiment behind every stroke of the razor that gets your loving message across.

We asked a few people their thoughts. Billy in Dallas likes his women au natural. "I want to feel that hair down there. It's a different texture than the rest of the body. If I want to rub my nose on bare skin, I can find it on 98% of her body. Leave it alone." Axel in Phoenix also digs the bush. "My lady likes it when I play with her pubes. I like to twirl her hair into little ringlets, pull on it when I'm going down on her, and above all, she likes it when I pull my fingernails across it. She says it makes her tingle."

On the other side, some men want none at all. Ashe in Boston is a bare pubes dude. "I don't want anything down there to get in the way of my tongue. I really don't care for the smell so no hair makes it easier for me to go down on her." Samuel in Miami is the same. "Down here, the humidity gets to the pubes really fast and if the lady is clean shaven she can stay fresher longer. I like the smoothness of a clean shaven pussy. It rocks."

As you can see the debate goes on. There is no right or wrong. Just what is right for you. Shaving a pussy is really fun for us guys, too. And if you do a bad job, no one else (you hope) will see it, and it grows right back. Don't be afraid to ask your lover to shave for you, if she doesn't already. It's what our society has come to.

#### **Arrow**

It's an up and coming coiff. It can point up or down depending on the message one wants to impart, but the favorite is pointing down. That's kinda silly because we know our way down there, but maybe someone still needs directions.

#### **Square**

This is a head scratcher for us. We guess when the lady gets bored, has tried everything else, and has time to try new things, then why not. Looks best when closely cropped and trimmed. Great for a few photos and then shave it off.

#### **Peach Fuzz**

Not really a pubic hair style and not to be confused with five-day growths. Many times a woman will just want to shave it down to a comfortable length where stubble is not a concern. Looks great with light colored or blonde hair.

#### **Postage Stamp**

Just a shorter version of the Landing Strip. We have one lady who has an unusual sense of humor - or lovemaking - who tells us she calls hers Little Hitler because the guy down there now has a moustache resembling Die Fuhrer's.

# PLEASE DON'T TEASE

Believe it or not, I want to make it in a real old castle in Europe. In one of those big stone rooms with a huge fire going in a huge fireplace. There would be a really huge four poster bed with a canopy and side curtains. Then my lover would come in and my hand maidens would bathe him in rose-scented water and we would fuck on the big bed. Later, my favorite hand maiden Gabriella would join us in Middle Ages pleasure. That would be really really cool!
